FINANCIAL SECTION

Independent Auditors' Report

To the Honorable Mayor
and Members of the Board of Commissioners
Town of Pittsboro
Pittsboro, North Carolina

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the Town of Pittsboro, North Carolina, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the Town of Pittsboro, North Carolina as of June 30, 2022, and the respective changes in financial position, and where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of Town of Pittsboro Board of Alcohol Beverage Control as of June 30, 2022, and the respective changes in financial position, and where applicable, cash flows thereof for the year then ended. Those statements were audited by other auditors whose report has been furnished to us, and our opinion is based solely on the report of the other auditors.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Town of Pittsboro, North Carolina, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town of Pittsboro, North Carolina's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town of Pittsboro, North Carolina's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town of Pittsboro, North Carolina's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's discussion and Analysis on pages 4 through 15, Local Government Employees' Retirement System's Schedules of the Proportionate Share of the Net Pension Liability and Contributions on pages 59 through 60, and the Law Enforcement's Officers' Special Separation Allowance schedules of the Changes in Total Pension Liability and Total Pension Liability as a Percentage of Covered Payroll on pages 61 through 62 and the Other Postemployment Benefits Schedule of Changes in the Total OPEB Liability and Related Ratios on page 63, be presented to supplement the basic financial statements. Such information, although not a required part of the basic financial statements, is required by the Governmental Accounting Standards

Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements of the Town of Pittsboro, North Carolina. The combining and individual nonmajor fund statements, budgetary schedules, and other schedules are presented for additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America by us and other auditors. In our opinion, based on our audit and the report of the other auditors, the combining and individual nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 6, 2023, on our consideration of the Town of Pittsboro's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Town of Pittsboro's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Town of Wilson's Mills' internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Town of Pittsboro
North Carolina

MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of the Town of Pittsboro, we offer readers of the Town of Pittsboro's financial statements this narrative overview and analysis of the financial activities of the Town of Pittsboro for the fiscal year ended June 30, 2022. We encourage readers to read the information presented here in conjunction with additional information that we have furnished in the Town's financial statements, which follow this narrative.

Financial Highlights

- The assets of the Town of Pittsboro exceeded its liabilities at the close of the fiscal year by \$28,404,721 (**net position**).
- The government's total net position *increased* by \$3,596,781 due to an *increase* in both *governmental* activities net position and *business-type* activities net position.
- As of the close of the current fiscal year, Pittsboro's governmental funds reported combined ending fund balances of \$7,491,487 an increase of \$923,841 in comparison with the prior year. Approximately 26.54% of this total amount, or \$1,988,411, is non-spendable, assigned or restricted.
- At the end of the current fiscal year, unassigned fund balance for the General Fund was \$5,503,076 or 73.46% of total General Fund – Fund Balance for the fiscal year.
- The Town of Pittsboro's total debt (net of compensated absences, net pension liability and other postemployment benefits) decreased by \$243,893 during the current fiscal year. The key factors in this decrease were regular loan payments.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the Town of Pittsboro's basic financial statements. The Town's basic financial statements consist of three components; 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements (see Figure 1). The basic financial statements present two different views of the Town of Pittsboro through the use of government-wide financial statements and fund financial statements. In addition to the basic financial statements, this report contains other supplemental information that will enhance the reader's understanding of the financial condition of the Town of Pittsboro.

MANAGEMENT'S DISCUSSION AND ANALYSIS (Continued)

Required Components of Annual Financial Report
Figure 1

Basic Financial Statements

The first two statements (Exhibits 1 and 2) in the basic financial statements are the **Government-wide Financial Statements**. They provide both short and long-term information about the Town of Pittsboro's financial status.

The next statements (Exhibits 3 through 8) are **Fund Financial Statements**. These statements focus on the activities of the individual parts of the Town of Pittsboro's government. These statements provide more detail than the government-wide statements. There are three parts to the Fund Financial Statements: 1) the governmental funds statements; 2) the budgetary comparison statements; and 3) the proprietary fund statements.

The next section of the basic financial statements is the **notes**. The notes to the financial statements explain in detail some of the data contained in those statements. After the notes, **supplemental information** is provided to show details about the Town of Pittsboro's individual funds. Budgetary information required by the General Statutes also can be found in this part of the statements.

Town of Pittsboro
North Carolina

MANAGEMENT'S DISCUSSION AND ANALYSIS (Continued)

Government-wide Financial Statements

The government-wide financial statements are designed to provide the reader with a broad overview of the Town of Pittsboro's finances, similar in format to a financial statement of a private-sector business. The government-wide statements provide short and long-term information about the Town's financial status as a whole.

The two government-wide statements report the Town of Pittsboro's net position and how it has changed. Net position is the difference between the Town's total assets and total liabilities. Measuring net assets is one way to gauge the Town of Pittsboro's financial condition.

The government-wide statements are divided into three categories: 1) governmental activities; 2) business-type activities; and 3) component units. The governmental activities include most of the Town of Pittsboro's basic services such as public safety, sanitation, street maintenance, recreation and parks, and general administration. Property taxes, sales taxes, charges for services, and state and federal grant funds finance most of these activities. The business-type activities are those that the Town charges customers to provide. These include the water and sewer services offered by the Town of Pittsboro. The final category is the component unit. Although legally separate from the Town of Pittsboro, the Pittsboro ABC Board is important to the Town because the Town exercises control over the Board by appointing its members and because the Board is required to distribute its profits, if any, to the Town of Pittsboro.

The government-wide financial statements are on Exhibits 1 and 2 of this report.

Fund Financial Statements

The fund financial statements (See figure 1) provide a more detailed look at the Town of Pittsboro's most significant activities. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Town of Pittsboro, like all other governmental entities in North Carolina, uses fund accounting to ensure and reflect compliance (or non-compliance) with finance-related legal requirements, such as the General Statutes or the Town of Pittsboro's budget ordinance. All of the funds of the Town of Pittsboro can be divided into two categories: governmental funds and proprietary funds.

Governmental Funds – Governmental funds are used to account for those functions reported as governmental activities in the government-wide financial statements. Most of the Town of Pittsboro's basic services are accounted for in governmental funds. These funds focus on how assets can readily be converted into cash flow in and out, and what monies are left at year-end that will be available for spending in the next year. Governmental funds are reported using an accounting method called *modified accrual accounting* that provides a short-term spending focus. As a result, the governmental fund financial statements give the reader a detailed short-term view that helps determine if there are more or less financial resources available to finance the Town's programs. The relationship between government activities (reported in the Statement of Net Position and the Statement of Activities) and governmental funds is described in a reconciliation that is a part of the fund financial statements.

The Town of Pittsboro adopts an annual budget for its General Fund, as required by the General Statutes. The budget is a legally adopted document that incorporates input from the citizens of the Town, management of the Town and the decisions of the Board about which services to provide and how to pay for them. It also authorizes the Town to obtain funds from identified sources to finance these current period

Town of Pittsboro
North Carolina

MANAGEMENT'S DISCUSSION AND ANALYSIS (Continued)

activities. The budgetary statements provided for the General Fund demonstrates how well the Town complied with the budget ordinance and whether or not the Town of Pittsboro succeeded in providing the services a planned when the budget was adopted. The budgetary comparison statement uses the budgetary basis of accounting and is presented using the same format, language, and classifications as the legal budget document. The statements shows four columns: 1) the original budget as adopted by the board; 2) the final budget as amended by the board; 3) the actual resources, charges to appropriations, and ending balances in the General Fund; and 4) the difference or variance between the final budget and the actual resources and charges. To account for the difference between the budgetary basis of accounting and the modified accrual basis, a reconciliation showing the differences in the reported activities is shown at the end of the budgetary statement.

Proprietary Funds – The Town of Pittsboro has one kind of proprietary fund. The *Enterprise Fund* is used to report the same functions presented as business-type activities in the government-wide financial statements. The Town of Pittsboro uses an Enterprise Fund to account for its water and sewer activities. The fund is the same as those functions shown in the business-type activities in the Statement of Net Position and the Statement of Activities.

Notes to the Financial Statements – The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements begin on page 25 of this report.

Town of Pittsboro
North Carolina

MANAGEMENT'S DISCUSSION AND ANALYSIS (Continued)

As noted earlier, net position may serve over time as one useful indicator of a government's financial condition. The assets and deferred outflows of resources of the Town of Pittsboro exceeded liabilities and deferred inflows by \$28,404,721 as of June 30, 2022. The Town's net position *increased* by \$3,596,781 for the fiscal year ended June 30, 2022. However, the largest portion, \$17,151,664 (60.38%), reflects the Town's investment in capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the Town of Pittsboro's investment in its capital assets is reported net of the outstanding related debt, the resources needed to repay that debt must be provided by other sources, since the capital assets cannot be used to liquidate these liabilities. An additional portion of the Town of Pittsboro's net position, \$4,669,524 (16.44%), represents resources that are subject to external restrictions on how they may be used. The remaining balance of \$6,583,533 (23.18%) is unrestricted. With the GASB Statement 73 reporting change, the Town has allocated its proportionate share of the Local Government Employees' Retirement System's net pension asset, deferred outflows of resources, deferred inflows of resources, and pension expense. Decisions regarding the allocations are made by the administrators of the pension plan, not by the Town of Pittsboro's management.

The Town of Pittsboro's financial operations positively influenced the total unrestricted governmental net position by:

- Continued diligence in the collection of property taxes by maintaining a tax collection percentage of 99.41% for the year ending June 30, 2022.
- Conservative spending habits within departments.

Town of Pittsboro
North Carolina

MANAGEMENT'S DISCUSSION AND ANALYSIS (Continued)

Governmental Activities – Governmental activities increased the Town's net position by \$982,743.

Business-type Activities – Business-type activities increased the Town's net position by \$2,614,038.

Financial Analysis of the Town of Pittsboro's Funds

As noted earlier, the Town of Pittsboro uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds – The focus of the Town of Pittsboro's governmental funds is to provide information on near-term inflows, outflows, and balances of usable resources. Such information is useful in assessing the Town's financing requirements. Specifically, unreserved fund balance can be a useful measure of a government's net resources available for spending at the end of the fiscal year.

The General Fund is the chief operating fund of the Town of Pittsboro. At the end of the current fiscal year, unassigned fund balance of the General Fund was \$5,503,076 while total fund balance reached \$6,301,838. As a measure of the general fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. Unassigned fund balance represents 92.87% of total General Fund expenditures.

At June 30, 2022, the governmental funds of the Town of Pittsboro reported a combined fund balance of \$7,491,487, a \$923,841 increase over last year. Included in this change in fund balance is a small increase in the Non-Major Funds and a large increase in fund balance in the General Fund.

General Fund Budgetary Highlights – During the fiscal year, the Town of Pittsboro revised the budget on several occasions. Generally, budget amendments fall into one of three categories: 1) amendments made to adjust the estimates that are used to prepare the original budget ordinance once exact information is available; 2) amendments made to recognize new funding amounts from external sources, such as Federal and State grants; and 3) increases in appropriations that become necessary to maintain services.

Proprietary Funds – The Town of Pittsboro's proprietary funds provide the same type of information found in the government-wide statements but in more detail. Unrestricted net position of the Water and Sewer Fund at the end of the fiscal year amounted to \$1,730,689. The total net position for the fund increased by \$2,614,038. Other factors concerning the finances of the fund have already been addressed in the discussion of the Town of Pittsboro's business-type activities.

Capital Assets and Debt Administration

Capital Assets – The Town of Pittsboro's investment in capital assets for its governmental and business type activities as of June 30, 2022 totals \$18,551,526 (net of accumulated depreciation). These assets include buildings, streets, land, machinery and equipment, park facilities, and vehicles.

Pension related debt	1,032,761	1,490,616	214,889	589,930	1,247,650	2,080,546
	<u>\$ 2,081,652</u>	<u>\$ 2,546,441</u>	<u>\$ 1,857,060</u>	<u>\$ 2,368,758</u>	<u>\$ 3,938,712</u>	<u>\$ 4,915,199</u>

The Town of Pittsboro’s total debt decreased by \$976,487 (19.87%) during the past fiscal year primarily as a result of decreased liability related to pension related debt.

North Carolina general statutes limit the amount of general obligation debt that a unit of government can issue to 8% of the total assessed value of taxable property located within that government’s boundaries. The legal debt margin for the Town of Pittsboro is \$66,433,968. The Town has no bonds authorized at June 30, 2022.

Additional information regarding the Town’s long-term debt can be found in the Notes to the Financial Statements, Section II-6 (pages 51-54), of this report.

Economic Factors and Next Year’s Budgets and Rates

The Town of Pittsboro continued to experience positive economic growth in Fiscal Year 2021-2022. Despite the sustained effects of the COVID-19 pandemic, the Town saw progressively strong, positive results with our sales tax and ad valorem revenue categories, indicating increasing levels of recovery. The COVID-19 pandemic continued to keep some businesses shuttered or limited in operation and tourist travel remained minimal in comparison to pre-pandemic levels. Pittsboro fared better than expected and better than some other communities, as many of our emerging and growth-indicating markets continued to be classified as “essential” businesses. However, our downtown businesses, many of which are small retail shops and local restaurateurs, will continue to battle the effects for years to come as they attempt to remain open for business. The sourcing of workers and supply chain inconsistencies continued to rear a negative impact on our entire economy, particularly our local businesses.

The Town did not suffer the negative affects to our sales tax revenue that other municipalities did due to the pandemic. The Town continued with its conservative approach in projecting revenue but did project revenue above pre-pandemic levels in FY 2021-22 as businesses progressively reopened and online

Town of Pittsboro
North Carolina

MANAGEMENT'S DISCUSSION AND ANALYSIS (Continued)

shopping produced better sales tax revenue receipts. During FY 2021-22 the Town reversed the policy of waiving all late fees and disconnections on the enterprise fund side of the operation. This was due to the fact that many health mandates were being lifted and the need for the Town to collect past due balances. The utility department worked with customers to get back into good standing.

Construction and planning of new residential and commercial projects continued in earnest. Chatham Park, Mosaic and Northwood Landing expanded their construction with many new residences and the opening of commercial businesses in these developments. In Mosaic an apartment building and Hampton Inn broke ground and construction continues on them. Smaller infill and reuse projects also occurred throughout Town. Utility capacity, or lack thereof, particularly on the wastewater side, continued to slow development growth. The Town intensified its efforts to increase water and wastewater capacities by partnering with Chatham County and the City of Sanford on several studies, in addition to the Town's participation in the Western Intake Partnership, that seek to bring greater flexibility to our utility systems. The Town continues to work on efforts to get the Forcemain to Sanford built and is also working with the City of Sanford on improvements to their water plant and a water line from Sanford to Pittsboro. On the last day of the fiscal year, June 30, 2022, the Town of Pittsboro accepted via resolution the designation of a distressed unit under the viable utility program for the enterprise fund. This will open up additional grant opportunities for the Town for the enterprise fund.

As we look ahead to FY 2022-23 and beyond, the effects of the COVID-19 pandemic and lack of wastewater treatment capacity availability will continue to persist and stifle our full economic growth potential. Additionally, rapid inflation and supply chain concerns will be prevalent in the year to come. Materials for daily operations and capital projects are more costly and continue to be more difficult to obtain in a timely manner. These budget and schedule busting aspects, compounded with an existing market shortage on contractors and subcontractors like surveyors, electricians, building inspectors and other necessary trades, will limit the Town's ability to deliver necessary projects as originally scheduled and within the budget originally planned. Aging infrastructure and the need for more staff will also require a reevaluation of our current fee schedules and structures. The Town's operational costs have increased and will likely continue to increase for the foreseeable future as most sectors are seeing cost increases in the double-digits of percentages with others seeing increases double or triple of that of their pre-pandemic pricing. The Town will continue to assess the market conditions and project conservatively so that we can continue to enhance our service levels to our citizens, residents and customers.

Budget Highlights for the Year Ending June 30, 2023

Governmental Activities –An ad valorem tax rate of \$0.44 per \$100.00 assessed value was recommended and adopted in the base budget for the official tax rate for the Town of Pittsboro for fiscal year 2022-2023. This rate is based on the most recent valuation and uses and anticipated collection rate of 97.5%.

Ad valorem taxes (\$3,726,088) account for 40% of the total General Fund revenue. Other major revenue streams for the Town include sales taxes, tipping fees and utility franchise taxes. These revenues are projected to bring in \$1,345,000 (14.42%), \$509,040 (5.46%) and \$217,400 (2.33%) respectively. These four revenues account for 62.16% of the total General Fund revenues.

The fiscal year 2022-2023 original General Fund budget of \$9,326,700 is a 28.1% increase over the fiscal year 2021-2022 original budget. This increase included \$1,679,437 in general fund balance appropriation.

Town of Pittsboro
North Carolina

MANAGEMENT'S DISCUSSION AND ANALYSIS (Continued)

Enterprise Activities

Operating revenues in the Enterprise Fund are generated primarily through the sale of water and sewer utilities. It is anticipated that \$4,857,600 will be generated in fiscal year 2022-2023. This represents 84.28% of the revenues in the Enterprise Fund. Other revenues include reuse water charges - \$77,126 (1.3%), credit card payment fees - \$11,500 (0.20%).

At \$5,763,761 the fiscal year 2022-2023 original Enterprise Fund Budget is a 7.3% decrease from fiscal year 2021-2022 original budget.

NOTES TO THE FINANCIAL STATEMENTS

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

I. Summary of Significant Accounting Policies

The accounting policies of the Town of Pittsboro (“the Town”) and its discretely presented component unit, the Town of Pittsboro ABC Board, conform to generally accepted accounting principles as applicable to governments. The following is a summary of the more significant accounting policies:

A. Reporting Entity

The Town of Pittsboro is a municipal corporation that is governed by an elected mayor and a five-member council. As required by generally accepted accounting principles, these financial statements present the Town and its component unit, a legally separate entity for which the Town is financially accountable. The discretely presented component unit presented below is reported in a separate column in the Town’s financial statements in order to emphasize that it is legally separate from the Town.

Town of Pittsboro ABC Board

The members of the ABC Board’s governing board are appointed by the Town. In addition, the ABC Board is required by State Statute to distribute its surpluses, if any, to the General Fund of the Town. The ABC Board, which has a June 30 year-end, is presented as if it were a proprietary fund (discrete presentation). Complete financial statements for the ABC Board may be obtained from the entity’s administrative offices at the Town of Pittsboro ABC Board, P.O. Box 642, Pittsboro, North Carolina 27312.

B. Basis of Presentation

Government-wide Financial Statements: The statement of net position and the statement of activities display information about the primary government and its component unit. These statements include the financial activities of the overall government. Eliminations have been made to minimize the double counting of internal activities. These statements distinguish between the *governmental* and *business-type activities* of the Town. Governmental activities generally are financed through taxes, intergovernmental revenues, and other non-exchange transactions. Business-type activities are financed in whole or in part by fees charged to external parties.

The statement of activities presents a comparison between direct expenses and program revenues for the different business-type activities of the Town and for each function of the Town’s governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. Indirect expense allocations that have been made in the funds have been reversed for the statement of activities. Program revenues include (a) fees and charges paid by the recipients of goods or services offered by the programs and (b) grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues.

Fund Financial Statements: The fund financial statements provide information about the Town’s funds. Separate statements for each fund category – *governmental and proprietary* – are presented. The Town has no fiduciary funds to report. The emphasis of fund financial statements is on major governmental and

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

I. Summary of Significant Accounting Policies (Continued)

B. Basis of Presentation (Continued)

enterprise funds, each displayed in a separate column. All remaining governmental and enterprise funds are aggregated and reported as non-major funds.

Proprietary fund operating revenues, such as charges for services, result from exchange transactions associated with the principal activity of the fund. Exchange transactions are those in which each party receives and gives up essentially equal values. Non-operating revenues, such as subsidies result from non-exchange transactions. Other non-operating revenues are ancillary activities such as investment earnings.

The Town reports the following major governmental fund:

General Fund. The General Fund is the general operating fund of the Town. The General Fund accounts for all financial resources except those that are required to be accounted for in another fund. The primary revenue sources are ad valorem taxes and various other taxes and licenses. The primary expenditures are for public safety, streets, sanitation, parks and recreation and general government services.

The Town reports the following non-major governmental fund:

Capital Projects Funds. The Capital Projects Funds were established to account for funds that are restricted for use for a particular purpose, mainly the acquisition of equipment, construction of special projects and renovations of the Town's capital assets. The projects include the Capital Projects Fund, the Town Hall Project, the PESR Culvert Project, the Traffic Circle Project, the Parks and Recreation Project, and the Sidewalks and Greenways Project.

The Town reports the following major enterprise fund:

Water and Sewer Fund. This fund is used to account for the Town's water and sewer operations.

C. Measurement Focus and Basis of Accounting

In accordance with North Carolina General Statutes, all funds of the Town are maintained during the year using the modified accrual basis of accounting.

Government-wide and Proprietary Fund Financial Statements. The government-wide and proprietary fund financial statements are reported using the economic resources measurement focus. The government-wide and proprietary fund financial statements are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place. Non-exchange transactions, in which the Town gives (or receives) value without directly receiving (or giving) equal value in exchange, include property taxes, grants, and donations. On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenue from grants and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied.

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

I. Summary of Significant Accounting Policies (Continued)

C. Measurement Focus and Basis of Accounting (Continued)

Amounts reported as program revenues include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as general revenues rather than as program revenues. Likewise, general revenues include all taxes.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Town's enterprise fund are charges to customers for sales and services. The Town also recognizes as operating revenue the portion of tap fees intended to recover the cost of connecting new customers to the water and sewer system. Operating expenses for the enterprise fund include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

Governmental Fund Financial Statements. Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long-term debt, claims and judgments, and compensated absences, which are recognized as expenditures to the extent they have matured. General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital leases are reported as other financing sources.

The Town considers all revenues available if they are collected within 90 days after year-end, except for property taxes. Ad valorem taxes receivable are not accrued as revenue because the amount is not susceptible to accrual. At June 30, taxes receivable for property other than motor vehicles are materially past due and are not considered to be an available resource to finance the operations of the current year. Also, as of September 1, 2013, State law altered the procedures for the assessment and collection of property taxes on registered motor vehicles in North Carolina. Effective with this change in the law, the State of North Carolina is responsible for billing and collecting the property taxes on registered motor vehicles on behalf of all municipalities and special tax districts. Property taxes are due when vehicles are registered. The billed taxes are applicable for the fiscal year in which they are received. Uncollected taxes that were billed during this period prior to September 1, 2013 and for limited registration plates are shown as a receivable in these financial statements and are offset by deferred inflows of resources.

Sales taxes and certain intergovernmental revenues, such as the utilities franchise tax, collected and held by the State at year-end on behalf of the Town are recognized as revenue. Sales taxes are considered a shared revenue for the Town of Pittsboro because the tax is levied by Chatham County and then remitted to and distributed by the State. Most intergovernmental revenues and sales and services are not susceptible to accrual because generally they are not measurable until received in cash. Under the terms of grant agreements, the Town funds certain programs by a combination of specific cost-reimbursement grants,

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

I. Summary of Significant Accounting Policies (Continued)

categorical block grants, and general revenues. Thus, when program expenses are incurred, there is both restricted and unrestricted net position available to finance the program. It is the Town's policy to first apply cost-reimbursement grant resources to such programs, followed by categorical block grants, and then general revenues.

D. Budgetary Data

The Town's budgets are adopted as required by the North Carolina General Statutes. An annual budget is adopted for the General Fund and the Water and Sewer Fund. All annual appropriations lapse at the fiscal year-end. Project ordinances are adopted for the Capital Projects Fund. All budgets are prepared using the modified accrual basis of accounting. Appropriations are made at the departmental level and are amended as necessary by the governing board. The manager may make interdepartmental transfers (limited to 10% of the department's budget) without Board approval. Expenditures may not legally exceed appropriations at the departmental level for all annually budgeted funds and at the object level for the multi-year funds. All amendments greater than 10% of a department's budget must be approved by the governing board and the Board must adopt an interim budget that covers that time until the annual ordinance can be adopted.

E. Assets, Liabilities, Deferred Outflows/Inflows of Resources, and Fund Equity

1. Deposits and Investments

All deposits of the Town and the ABC Board are made in board-designated official depositories and are secured as required by State law [G.S. 159-31]. The Town may designate, as an official depository, any bank or savings association whose principal office is located in North Carolina. Also, the Town and ABC Board may establish time deposit accounts such as NOW and SuperNOW accounts, money market accounts, and certificates of deposit.

State law [G.S. 159-30(c)] authorizes the City and the ABC Board to invest in obligations of the United States or obligations fully guaranteed both as to principal and interest by the United States, obligations of the State of North Carolina, bonds and notes of any North Carolina local government or public authority, obligations of certain non-guaranteed federal agencies, certain high quality issues of commercial paper and bankers' acceptances, and the North Carolina Capital Management Trust (NCCMT). The City's and the ABC Board's investments are generally reported at fair value. The NCCMT Government Portfolio, a SEC-registered (2a-7) money market mutual fund, is measured at fair value. Because the NCCMT Government has a weighted average maturity of less than 90 days, it is presented as an investment with a maturity of less than 6 months.

2. Cash and Cash Equivalents

The Town pools money from several funds to facilitate disbursement and investment and to maximize investment income. Therefore, all cash and investments are essentially demand deposits and are considered cash and cash equivalents. The Town and ABC Board consider all highly liquid investments (including restricted assets) with a maturity of three months or less when purchased to be cash and cash equivalents.

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

I. Summary of Significant Accounting Policies (Continued)

3. Restricted Assets

The unexpended loan proceeds from a loan agreement entered into by the Town are classified as restricted assets because their use is completely restricted to the purposes of purchasing police vehicles. Customer deposits held by the Town before any services are supplied are restricted to the service for which the deposit was collected. Any unexpended balances of grant or loan funds for the Capital Projects Funds are classified as restricted assets in the appropriate fund because their use is completely restricted to the purpose for which the grants and/or loans were intended. Powell Bill funds are also classified as restricted cash because they can be expended only for the purposes of maintain, repairing, constructing, reconstructing or widening of local streets per G.S. 136-41.1 through 136-41.4.

Town of Pittsboro Restricted Cash

Governmental Activities

Customer deposits	<u>103,747</u>
Total Business-type Activities	<u>123,247</u>

Total Restricted Cash	<u>\$ 345,784</u>
-----------------------	-------------------

4. Ad Valorem Taxes Receivable

In accordance with State law [G.S. 105-347 and G.S. 159-13(a)], the Town levies ad valorem taxes on property other than motor vehicles on July 1st, the beginning of the fiscal year. The taxes are due on September 1st (lien date); however, interest does not accrue until the following January 6th. These taxes are based on the assessed values as of January 1, 2021. As allowed by State law, the Town has established a schedule of discounts that apply to taxes that are paid prior to the due date. In the Town's General Fund, ad valorem tax revenues are reported net of such discounts.

5. Allowances for Doubtful Accounts

All receivables that historically experience uncollectible accounts are shown net of an allowance for doubtful accounts. This amount is estimated by analyzing the percentage of receivables that were written off in prior years.

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

I. Summary of Significant Accounting Policies (Continued)

6. Inventory and Prepaid Items

The inventories of the ABC Board are valued at cost (first-in, first-out), which approximates market. The inventories of the ABC Board consist of materials and supplies held for subsequent use. The cost of these inventories is expensed when consumed rather than when purchased.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements and expensed as the items are used.

7. Investments

Investments consist of marketable debt and equity securities and mutual funds. The Town accounts for investments in accordance with GAAP which requires that investments with readily determinable fair values be measured at fair value in the statement of financial position. Interest, dividends, realized and unrealized gain and loss on investments are recorded in the statements of activities. Realized gains and losses are determined on a specific identification basis.

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

8. Capital Assets

Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000. Purchased or constructed capital assets are reported at cost or estimated historical cost. Donated capital assets received prior to June 15, 2015 are recorded at their estimated fair value at the date of donation. Donated capital assets received after June 15, 2015 are recorded at acquisition value. All other purchased or constructed capital assets are reported at cost or estimated historical cost. General infrastructure assets acquired prior to July 1, 2003, consist of the road network and water and sewer system assets that were acquired or that received substantial improvements subsequent to July 1, 1980, and are reported at estimated historical cost using deflated replacement cost. The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend assets' lives are not capitalized.

Capital assets are depreciated using the straight-line method over the following estimated useful lives:

Asset Class	Estimated Useful Lives
Buildings and improvements	15 - 50 years
Furniture and equipment	5 - 40 years
Infrastructure	15 - 25 years
Vehicles	5 - 8 years

Property, plant, and equipment of the ABC Board are depreciated over their useful lives on a straight-line basis as follows:

Asset Class	Estimated Useful Lives
Buildings and leasehold improvements	5 - 30 years
Store and administrative equipment	7 years

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

I. Summary of Significant Accounting Policies (Continued)

9. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *Deferred Outflows of Resources*, represents a consumption of net position that applies to a future period and so will not be recognized as an expenditure until then. The Town has one item that meets this criterion, pension deferrals in the 2021 fiscal year. In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *Deferred Inflows of Resources*, represents an acquisition of net position that applies to a future period and so will not be recognized as revenue until then. The Town has several items that met this criterion for this category – prepaid rent, prepaid property taxes, property taxes receivable and pension deferrals.

10. Long-Term Obligations

In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the straight-line method that approximates the effective interest method. Bonds payable are reported net of the applicable bond premiums or discount. Bond issuance costs, except for prepaid insurance costs, are expensed in the reporting period in which they are incurred. Prepaid insurance costs are expensed over the life of the debt.

In fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

11. Compensated Absences

The vacation policy of the Town provides for the accumulation of up to thirty days earned vacation leave with such leave being fully vested when earned. For the Town's government-wide and proprietary funds, an expense and a liability for compensated absences and the salary-related payments are recorded as the leave is earned. The Town has assumed a first-in, first-out method of using accumulated compensated time. The portion of that time that is estimated to be used in the next fiscal year has been designated as a current liability in the government-wide financial statements.

The Town's sick leave policy provides for an unlimited accumulation of earned sick leave. Sick leave does not vest, but any unused sick leave accumulated at the time of retirement may be used in the determination of length of service for retirement benefit purposes. Since the Town does not have any obligation for the accumulated sick leave until it is actually taken, no accrual for sick leave has been made.

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

I. Summary of Significant Accounting Policies (Continued)

12. Net Position/Fund Balances

Net Position

Net position in government-wide and proprietary fund financial statements are classified as net investment in capital assets; restricted; and unrestricted. Restricted net position represents constraints on resources that are either externally imposed by creditors, grantors, contributors, or laws or regulations of other governments or imposed by law through State Statute.

Fund Balances

In the governmental fund financial statements, fund balance is composed of five classifications designed to disclose the hierarchy of constraints placed on how fund balance can be spent.

The governmental fund types classify fund balances as follows:

Nonspendable Fund Balance – This classification includes amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.

Prepaid Items – Portion of fund balance that is not an available resource because it represents the year-end balance of prepaid operational expenses on goods and services which is not a spendable resource.

Restricted Fund Balance – This classification includes amounts that are restricted to specific purposes externally imposed by creditors or imposed by law.

Restricted for Stabilization by State statute - North Carolina G.S. 159-8 prohibits units of government from budgeting or spending a portion of their fund balance. This is one of several statutes enacted by the North Carolina State Legislature in the 1930's that were designed to improve and maintain the fiscal health of local government units. Restricted by State statute (RSS), is calculated at the end of each fiscal year for all annually budgeted funds. The calculation in G.S. 159-8(a) provides a formula for determining what portion of fund balance is available for appropriation. The amount of fund balance not available for appropriation is what is known as "restricted by State statute". *Appropriated fund balance in any fund shall not exceed the sum of cash and investments minus the sum of liabilities, encumbrances, and deferred revenues arising from cash receipts, as those figures stand at the close of the fiscal year next preceding the budget.* Per GASB guidance, RSS is considered a resource upon which a restriction is "imposed by law through constitutional provisions or enabling legislation." RSS is reduced by inventories and prepaids as they are classified as nonspendable. Outstanding Encumbrances are included within RSS. RSS is included as a component of Restricted Net position and Restricted fund balance on the face of the balance sheet.

Restricted for Streets - Powell Bill portion of fund balance that is restricted by revenue source for street construction and maintenance expenditures. This amount represents the balance of the total unexpended Powell Bill funds.

Restricted for Public Safety – portion of fund balance that represents funds from the equitable sharing program and loan proceeds restricted for public safety.

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

I. Summary of Significant Accounting Policies (Continued)

Restricted for General Government – portion of fund balance that represents loan proceeds restricted for general government use.

Committed Fund Balance –portion of fund balance that can only be used for specific purposes imposed by majority vote by quorum of the Town of Pittsboro’s governing body (highest level of decision-making authority). Any changes or removal of specific purpose requires majority action by the governing body. The governing body can, by adoption of an ordinance prior to the end of the fiscal year, commit fund balance. Once adopted, the limitation imposed by the ordinance remains in place until a similar action is taken (the adoption of another ordinance) to remove or revise the limitation.

Assigned Fund Balance – portion of fund balance that the Town of Pittsboro intends to use for specific purposes.

Assigned for Capital Projects Funds – portion of fund balance assigned by the Board of Commissioners for capital expenditures.

Subsequent Year’s Expenditures – portion of fund balance that is appropriated in the next year’s budget that is not already classified in restricted or committed. The governing body approves the appropriation; however, the budget ordinance authorizes the manager to modify the appropriation within a fund up to 10% of any department’s appropriation.

Unassigned Fund Balance – the portion of fund balance that has not been restricted, committed, or assigned to specific purposes or other funds.

The Town of Pittsboro does not have a formal revenue spending policy for programs with multiple revenue sources.

The Town of Pittsboro has not adopted a minimum fund balance policy for the General Fund.

13. Deferred Benefit Cost-Sharing Plans

For purposes of measuring the net pension asset, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Local Governmental Employees’ Retirement System (LGERS) and additions to/deductions from LGERS’ fiduciary net position have been determined on the same basis as they are reported by LGERS. For this purpose, plan member contributions are recognized in the period in which the contributions are due. The Town of Pittsboro’s employer contributions are recognized when due and the Town of Pittsboro has a legal requirement to provide the contributions. Benefits and refunds are recognized when due and payable in accordance with the terms of LGERS. Investments are reported at fair value.

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

II. Detail Notes on All Funds

A. Assets

1. Deposits

All the deposits of the Town and the ABC Board are either insured or collateralized by using one of two methods. Under the Dedicated Method, all deposits that exceed the federal depository insurance coverage level are collateralized with securities held by the Town's or the ABC Board's agents in these units' names. Under the Pooling Method, which is a collateral pool, all uninsured deposits are collateralized with securities held by the State Treasurer's agent in the name of the State Treasurer. Since the State Treasurer is acting in a fiduciary for the Town and the ABC Board, these deposits are considered to be held by the Town's and the ABC Board's agents in their names. The amount of the pledged collateral is based on an approved averaging method for non-interest bearing deposits and the actual current balance for interest-bearing deposits.

Depositories using the Pooling Method report to the State Treasurer the adequacy of their pooled collateral covering uninsured deposits. The State Treasurer does not confirm this information with the Town, the ABC Board, or the escrow agent. Because of the inability to measure the exact amounts of collateral pledged for the Town and the ABC Board under the Pooling Method, the potential exists for under-collateralization. This risk may increase in periods of high cash flows. However, the State Treasurer of North Carolina enforces strict standards of financial stability for each depository that collateralizes public deposits under the Pooling Method. The Town has no formal policy regarding custodial credit risk for deposits, but relies on the State Treasurer to enforce standards of minimum capitalization for all pooling method financial institutions and to monitor them for compliance. The Town complies with the provisions of G.S. 159-31 when designating official depositories and verifying that deposits are properly secured. The ABC Board has not adopted a formal policy regarding custodial risk for deposits.

At June 30, 2022, the Town's deposits had a carrying amount of \$7,837,876 and a bank balance of \$7,986,168. Of the bank balance, \$250,000 was covered by federal depository insurance and the remainder was covered by collateral held under the pooling method. The carrying amount of deposits for the ABC Board was \$757,739 and the bank balance was \$753,960. Of the bank balance, \$250,000 was covered by federal depository insurance and \$503,960 was covered by collateral under the pooling method. At June 30, 2022, the Town's petty cash fund totaled \$300.

2. Investments

At June 30, 2022, the Town had \$3,278,855 invested with the North Carolina Capital Management Trust's Cash Portfolio which carried a credit rating of AAAM by Standard and Poor's. The Town has no policy regarding credit risk of its investments.

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

II. Detail Notes on All Funds (Continued)

2. Investments (Continued)

At June 30, 2022, the Town's investment balances were as follows:

Investments by Type	Valuation Measurement Method	Book Value at June 30, 2022	Maturity	Rating
U.S. Treasury Notes	Fair Value Level 1	\$3,000,000	Various	N/A

All investments are measured using the market approach: using prices and other relevant information generated by market transactions involving identical or comparable assets or a group of assets. Level of fair value hierarchy: Level 1 – investments are valued using directly observable, quoted prices (unadjusted) in active markets for identical assets.

Interest Rate Risk. The Town has no formal investment policy regarding interest rate risk.

Credit Risk. The Town has no formal policy regarding credit risk, but has internal management procedures that limits investments and restricts the purchase of securities to the highest possible ratings whenever particular types of securities are rated.

Custodial Credit Risk. For an investment, the custodial risk is the risk that in the event of the failure of the counterparty, the Town will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party.

Concentration of Credit Risk. The Town's Board places no limit on the amount that the Town may invest in any one issuer.

3. Receivables - Allowances for Doubtful Accounts

The amount of taxes receivable presented in the Balance Sheet and the Statement of Net Position includes penalties levied and outstanding in the amount of \$1,957.

The amounts presented in the Balance Sheet and the Statement of Net Position for the year ended June 30, 2022 is net of the following allowances for doubtful accounts:

General Fund:	
Taxes receivable	\$ -
Accounts receivable	-
Total General Fund	-
Water and Sewer Fund:	
Accounts receivable	16,901
Total	\$ 16,901

II. Detail Notes on All Funds (Continued)

B. Liabilities

1. Pension Plan and Postemployment Obligations

a. Local Governmental Employees' Retirement System

Plan Description. The Town is a participating employer in the statewide Local Governmental Employees' Retirement System (LGERS), a cost-sharing multiple-employer defined benefit pension plan administered by the State of North Carolina. LGERS membership is comprised of general employees and local law enforcement officers (LEOs) of participating local governmental entities. Article 3 of G.S. Chapter 128 assigns the authority to establish and amend benefit provisions to the North Carolina General Assembly. Management of the plan is vested in the LGERS Board of Trustees, which consists of 13 members – nine appointed by the Governor, one appointed by the State Senate, one appointed by the State House or Representatives, and the State Treasurer and State Superintendent, who serve as ex-officio members. The Local Governmental Employees' Retirement System is included in the Annual Comprehensive Financial Report for the State of North Carolina. The State's Annual Comprehensive Financial Report includes financial statements and required supplementary information for LGERS. That report may be obtained by writing to the Office of the State Controller, 1410 Mail Service Center, Raleigh, North Carolina 27699-1410, or by calling (919) 981-5454, or at www.osc.nc.gov.

Benefits Provided. LGERS provides retirement and survivor benefits. Retirement benefits are determined as 1.85% of the member's average final compensation times the member's years of creditable service. A member's average final compensation is calculated as the average of a member's four highest consecutive years of compensation. Plan members are eligible to retire with full retirement benefits at age 65 with five years of creditable service, at age 60 with 25 years of creditable service, or at any age with 30 years of creditable service. Plan members are eligible to retire with partial retirement benefits at age 50 with 20 years of creditable service or at age 60 with five years of creditable service (age 55 for firefighters). Survivor benefits are available to eligible beneficiaries of members who die while in active service or within 180 days of their last day of service and who have either completed 20 years of creditable service regardless of age (15 years of creditable service for firefighters and rescue squad members who are killed in the line of duty) or have completed five years of service and have reached age 60. Eligible beneficiaries may elect to receive a monthly Survivor's Alternate Benefit for life or a return of the member's contributions. The plan does not provide for automatic post-retirement benefit increases. Increases are contingent upon actuarial gains of the plan.

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

II. Detail Notes on All Funds (Continued)

LGERS plan members who are LEOs are eligible to retire with full retirement benefits at age 55 with five years of creditable service as an officer, or at any age with 30 years of creditable service. LEO plan members are eligible to retire with partial retirement benefits at age 50 with 15 years of creditable service as an officer. Survivor benefits are available to eligible beneficiaries of LEO members who die while in active service or within 180 days of their last day of service and who also have either completed 20 years of creditable service regardless of age, or have completed 15 years of service as a LEO and have reached age 50, or have completed five years of creditable service as a LEO and have reached age 55, or have completed 15 years of creditable service as a LEO if killed in the line of duty. Eligible beneficiaries may elect to receive a monthly Survivor's Alternate Benefit for life or a return of the member's contributions.

Contributions. Contribution provisions are established by General Statute 128-30 and may be amended only by the North Carolina General Assembly. Town of Pittsboro employees are required to contribute 6% of their compensation. Employer contributions are actuarially determined and set annually by the LGERS Board of Trustees. The Town of Pittsboro's contractually required contribution rate for the year ended June 30, 2022, was 12.10% of compensation for law enforcement officers and 11.35% for general employees and firefighters, actuarially determined as an amount that, when combined with employee contributions, is expected to finance the costs of benefits earned by employees during the year. Contributions to the pension plan from the Town of Pittsboro were \$332,866 for the year ended June 30, 2022.

Refunds of Contributions – Town employees who have terminated service as a contributing member of LGERS, may file an application for a refund of their contributions. By state law, refunds to members with at least five years of service include 4% interest. State law requires a 60-day waiting period after service termination before the refund may be paid. The acceptance of a refund payment cancels the individual's right to employer contributions or any other benefit provided by LGERS.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2022, the Town reported a liability of \$579,699 for its proportionate share of the net pension liability. The net pension asset was measured as of June 30, 2021. The total pension liability used to calculate the net pension asset was determined by an actuarial valuation as of December 31, 2020. The total pension liability was then rolled forward to the measurement date of June 30, 2021 utilizing update procedures incorporating the actuarial assumptions. The Town's proportion of the net pension asset was based on a projection of the Town's long-term share of future payroll covered by the pension plan, relative to the projected future payroll covered by the pension plan of all participating LGERS employers, actuarially determined. At June 30, 2021, the Town's proportion was 0.03780%, which was a decrease of 0.00151% from its proportion as of June 30, 2020.

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

II. Detail Notes on All Funds (Continued)

For the year ended June 30, 2022, the Town recognized pension expense of \$233,742. At June 30, 2022, the Town reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 184,423	\$ -
Changes of assumptions	364,199	-
Net difference between projected and actual earnings on pension plan investments	-	828,216
Changes in proportion and differences between Town contributions and proportionate share of contributions	7,604	54,473
Town contributions subsequent to the measurement date	332,866	-
Total	<u>\$ 889,092</u>	<u>\$ 882,689</u>

\$332,866 was reported as deferred outflows of resources related to pensions resulting from Town contributions subsequent to the measurement date will be recognized as an increase of the net pension asset in the year ended June 30, 2023. Other amounts reported as deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year ended June 30:

2023	\$ (29,974)
2024	(79,193)
2025	(253,439)
2026	-
2027	-
Thereafter	-

Actuarial Assumptions. The total pension liability in the December 31, 2020 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.5 percent
Salary increases	3.25 to 8.25 percent
Investment rate of return	6.5 percent, net of pension plan investment expense, including inflation

The plan currently uses mortality tables that vary by age, gender, employee group (i.e. general, law enforcement officer) and health status (i.e. disabled and healthy). The current mortality rates are based on published tables and based on studies that cover significant portions of the U.S. population. The healthy mortality rates also contain a provision to reflect future mortality improvements.

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

II. Detail Notes on All Funds (Continued)

The actuarial assumptions used in the December 31, 2020 valuation were based on the results of an actuarial experience study for the period January 1, 2015 through December 31, 2019.

Future ad hoc COLA amounts are not considered to be substantively automatic and are therefore not included in the measurement.

The projected long-term investment returns and inflation assumptions are developed through review of current and historical capital markets data, sell-side investment research, consultant whitepapers, and historical performance of investment strategies. Fixed income return projections reflect current yields across the U.S. Treasury yield curve and market expectations of forward yields projected and interpolated for multiple tenors and over multiple year horizons. Global public equity return projections are established through analysis of the equity risk premium and the fixed income return projections. Other asset categories and strategies' return projections reflect the foregoing and historical data analysis. These projections are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class as of June 30, 2021 are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Fixed Income	29.0%	1.4%
Global Equity	42.0%	5.3%
Real Estate	8.0%	4.3%
Alternatives	8.0%	8.9%
Credit	7.0%	6.0%
Inflation Protection	6.0%	4.0%
Total	100%	

The information above is based on 30-year expectations developed with the consulting actuary for the 2020 asset liability and investment policy study for the North Carolina Retirement Systems, including LGERS. The long-term nominal rates of return underlying the real rates of return are arithmetic annualized figures. The real rates of return are calculated from nominal rates by multiplicatively subtracting a long-term inflation assumption of 3.25%. All rates of return and inflation are annualized.

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

II. Detail Notes on All Funds (Continued)

Discount rate. The discount rate used to measure the total pension liability was 6.50%. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current contribution rate and that contributions from employers will be made at statutorily required rates, actuarially determined. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of the current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Town's proportionate share of the net pension asset to changes in the discount rate. The following presents the Town's proportionate share of the net pension asset calculated using the discount rate of 6.50 percent, as well as what the Town's proportionate share of the net pension asset or net pension liability would be if it were calculated using a discount rate that is one percentage point lower (5.50 percent) or one percentage point higher (7.50 percent) than the current rate:

	<u>1% Decrease (5.50%)</u>	<u>Discount Rate (6.50%)</u>	<u>1% Increase (7.50%)</u>
Town's proportionate share of the net pension liability (asset)	\$ 2,250,344	\$ 579,699	\$ (795,145)

Pension plan fiduciary net position. Detailed information about the pension plan's fiduciary net position is available in the separately issued Annual Comprehensive Financial Report for the State of North Carolina.

b. Law Enforcement Officers Special Separation Allowance

1. Plan Description.

The Town of Pittsboro administers a public employee retirement system (the "Separation Allowance"), a single employer defined benefit pension plan that provides retirement benefits to the Town's qualified sworn law enforcement officers under the age of 62 who have completed at least 30 years of creditable service or have attained 55 years of age and have completed five or more years of creditable service. The Separation Allowance is equal to .85 percent of the annual equivalent of the base rate of compensation most recently applicable to the officer for each year of creditable service. The retirement benefits are not subject to any increases in salary or retirement allowances that may be authorized by the General Assembly. Article 12D of G.S. Chapter 143 assigns the authority to establish and amend benefit provisions to the North Carolina General Assembly.

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

II. Detail Notes on All Funds (Continued)

All full-time law enforcement officers of the Town are covered by the Separation Allowance. At December 31, 2021, the Separation Allowance's membership consisted of:

Retirees receiving benefits	2
Active plan members	12
Total	14

A separate report was not issued for the plan.

2. Summary of Significant Accounting Policies:

Basis of Accounting. The Town has chosen to fund the Separation Allowance on a pay as you go basis. Pension expenditures are made from the General Fund, which is maintained on the modified accrual basis of accounting. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan.

The Separation Allowance has no assets accumulated in a trust that meets the following criteria which are outlined in GASB Statement 73.

3. Actuarial Assumptions

The entry age actuarial cost method was used in the December 31, 2020 valuation. The total pension liability in the December 31, 2020 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.5 percent
Salary increases	3.25 to 7.75 percent, including inflation and productivity factor
Discount rate	2.25 percent

The discount rate is based on the yield of the S&P Municipal Bond 20 Year High Grade Rate Index as of December 31, 2020.

Mortality rates are based on the RP-2000 Mortality tables with adjustments for mortality improvements based on Scale AA.

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

II. Detail Notes on All Funds (Continued)

4. Contributions

The Town is required by Article 12D of G.S. Chapter 143 to provide these retirement benefits and has chosen to fund the amounts necessary to cover the benefits earned on a pay as you go basis through appropriations made in the General Fund operating budget. For the current year, the Town paid \$36,893 in benefits. The Town's obligation to contribute to this plan is established and may be amended by the North Carolina General Assembly. There were no contributions made by employees.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2022, the Town reported a total pension liability of \$667,951. The total pension liability was measured as of December 31, 2020 based on a December 31, 2020 actuarial valuation. The total pension liability was then rolled forward to the measurement date of December 31, 2021 utilizing update procedures incorporating the actuarial assumptions. For the year ended June 30, 2022, the Town recognized pension expense of \$69,380.

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 27,116	\$ 25,730
Changes of assumptions and other inputs	127,839	21,583
Benefit payments and administrative expenses subsequent to the measurement date	-	-
Total	<u>\$ 154,955</u>	<u>\$ 47,313</u>

\$0 reported as deferred outflows of resources related to pensions resulting from benefit payments made and administrative expenses incurred subsequent to the measurement date will be recognized as a decrease of the total pension liability in the year ended June 30, 2023. Other amounts reported as deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year ended June 30:

2023	\$ 26,720
2024	20,979
2025	35,396
2026	30,708
2027	3,935
Thereafter	(96)

Sensitivity of the Town's total pension liability to changes in the discount rate. The following presents the Town's total pension liability calculated using the discount rate of 2.25 percent, as well as what the Town's total pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (1.25 percent) or 1-percentage-point higher (3.25 percent) than the current rate:

	<u>1% Decrease (1.25%)</u>	<u>Discount Rate (2.25%)</u>	<u>1% Increase (3.25%)</u>
Town's proportionate share of the net pension liability (asset)	\$ 728,036	\$ 667,951	\$ 613,853

Schedule of Changes in Total Pension Liability
Law Enforcement Officers' Special Separation Allowance

Beginning balance	\$ 675,832
Service Cost	31,052
Interest on the total pension liability	12,637
Changes of benefit terms	-
Differences between expected and actual experience in the measurement of the total pension liability	9,160
Changes of assumptions or other inputs	(18,556)
Benefit payments	(42,174)
Other changes	-
Total	<u>\$ 667,951</u>

The plan currently uses mortality tables that vary by age, and health status (i.e. disabled and healthy). The current mortality rates are based on published tables and based on studies that cover significant portions of the U.S. population. The healthy mortality rates also contain a provision to reflect future mortality improvements.

The actuarial assumptions used in the December 31, 2020 valuation were based on the results of an actuarial experience study for the five-year period ending December 31, 2019.

Changes in proportion and differences between Town contributions and proportionate share of contributions	54,473	-	54,473

c. Supplemental Retirement Income Plan for Law Enforcement Officers

Plan Description. The Town contributes to the Supplemental Retirement Income Plan (Plan), a defined contribution pension plan administered by the Department of State Treasurer and a Board of Trustees. The Plan provides retirement benefits to law enforcement officers employed by the Town. Article 5 of G.S. Chapter 135 assigns the authority to establish and amend benefit provisions to the North Carolina General Assembly. The Supplemental Retirement Income Plan for Law Enforcement Officers is included in the Annual Comprehensive Financial Report for the State of North Carolina. The State's Annual Comprehensive Financial Report includes the pension trust fund financial statements for the Internal Revenue Code Section 401(k) plan that includes the Supplemental Retirement Income Plan for Law Enforcement Officers. That report may be obtained by writing to the Office of the State Controller, 1410 Mail Service Center, Raleigh, North Carolina 27699-1410, or by calling (919) 981-5454.

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

II. Detail Notes on All Funds (Continued)

Funding Policy. Article 12E of G.S. Chapter 143 requires the Town to contribute each month an amount equal to five percent of each officer's salary, and all amounts contributed are vested immediately. Also, the law enforcement officers may make voluntary contributions to the Plan. Contributions for the year ended June 30, 2022 were \$53,286, which consisted of \$38,087 from the Town and \$15,199 from the law enforcement officers.

d. Section 401(k) Plan for General Employees

Plan Description. The Town contributes to a 401(k) Plan, a defined contribution plan administered by the Prudential Insurance Company of America. The Plan provides retirement benefits to the general employees, other than law enforcement, employed by the Town.

Funding Policy. The Town annually determines the amount of contributions. For the year ended June 30, 2022, the Town contributed five percent (5.0%) on each general employee's salary. Also, the general employees may make voluntary contributions to the Plan. Contributions for the year ended June 30, 2022 were \$151,991, which consisted of \$108,722 from the Town and \$43,269 from the general employees.

e. Other Postemployment Benefits

Healthcare Benefits

Plan Description. Under the terms of a Town resolution, the Town administers a single employer defined benefit Healthcare Benefits Plan (the HCB Plan). The Town Board has the authority to establish and amend the benefit terms and financing requirements. No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement 75.

Benefits Provided. Prior to July 1, 2007, retirees qualified for benefits similar to those of employees after a minimum of five years of creditable service with the Town. The Town pays the full cost of coverage for employees' benefits through private insurers and employees have the option of purchasing dependent coverage at the Town's group rates. Employees hired on or after July 1, 2007 who retire with a minimum of 20 years of creditable service also have the option of purchasing coverage for themselves and dependents at the Town's group rate. Employees hired on or after July 1, 2007 who retire with less than 20 years of service are not eligible for postemployment coverage. Retirees who qualify for coverage receive the same benefits as active employees. Coverage for all retirees who are eligible for Medicare will be transferred to a Medicare Supplemental plan after qualifying for Medicare. The Town Council may amend the benefit provisions. A separate report was not issued for the plan.

II. Detail Notes on All Funds (Continued)

e. Other Postemployment Benefits (Continued)

Retired Employees' Years of Creditable Service	Date Hired	
	Pre-July 1, 2007	On or after July 1, 2007
Less than 5 years	Not eligible for coverage	Not eligible for coverage
5 - 20 years	Full coverage paid for by City	Not eligible for coverage
20+ years	Full coverage paid for by City	Full coverage paid for by City

Membership of the HCB Plan consisted of the following at June 30, 2021, the date of the latest actuarial valuation:

	General Employees:	Law Enforcement Officers:
Retirees and dependents receiving benefits	7	4
Terminated plan members entitled to but not yet receiving benefits	0	0
Active plan members	27	12
Total	34	15

Total OPEB Liability

The Town's total OPEB liability of \$1,107,018 was measured as of June 30, 2021 and was determined by an actuarial valuation as of that date.

Actuarial assumptions and other inputs. The total OPEB liability in the June 30, 2021 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement unless otherwise specified:

Inflation	2.5 percent
Salary increases	3.25 – 8.41% percent, average, including inflation
Discount rate	2.16 percent
Healthcare cost trend rates	Pre-Medicare – 7.0%

The discount rate is based on the yield of the S&P Municipal Bond 20 Year High Grade Rate Index as of the measurement date.

II. Detail Notes on All Funds (Continued)

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the year ended June 30, 2022, the Town recognized OPEB expense of \$72,219. At June 30, 2022, the Town reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ -	\$ 432,545
Changes of assumptions and other inputs	163,841	25,292
Benefit payments and administrative expenses subsequent to the measurement date	-	-
Total	<u>\$ 163,841</u>	<u>\$ 457,837</u>

\$0 reported as deferred outflows of resources related to pensions resulting from benefit payments made and administrative expenses incurred subsequent to the measurement date will be recognized as a decrease of the total pension liability in the year ended June 30, 2022. Other amounts reported as deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year ended June 30:

2023	\$ (51,186)
2024	(51,186)
2025	(51,186)
2026	(42,999)
2027	(42,108)
Thereafter	(55,331)

2. Other Employment Benefits

The Town has elected to provide death benefits to employees through the Death Benefit Plan for members of the Local Governmental Employees' Retirement System (Death Benefit Plan), a multiple-employer, State-administered, cost-sharing plan funded on a one-year term cost basis. The beneficiaries of those employees who die in active service after one year of contributing membership in the System, or who die within 180 days after retirement or termination of service and have at least one year of contributing membership service in the System at the time of death are eligible for death benefits. Lump sum death benefit payments to beneficiaries are equal to the employee's 12 highest months' salary in a row during the 24 months prior to the employee's death, but the benefit may not exceed \$50,000 or be less than \$25,000. All death benefit payments are made from the Death Benefit Plan. The Town has no liability beyond the payment of monthly contributions.

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

II. Detail Notes on All Funds (Continued)

The contributions to the Death Benefit Plan cannot be separated between the post-employment benefit amount and the other benefit amount. The Town considers these contributions to be immaterial.

3. Deferred Outflows and Inflows of Resources

The Town has several deferred outflows of resources. Deferred outflows of resources is comprised of the following:

<u>Source</u>	<u>Amount</u>
Contributions to pension plan in current fiscal year	\$ 1,207,888

Deferred inflows of resources at year-end is comprised of the following:

	<u>Statement of Net Position</u>	<u>General Fund Balance Sheet</u>
Prepaid taxes (General Fund)	\$ 21,158	\$ 21,158
Deferred rent	450,000	450,000
Taxes Receivable, less penalties (General Fund)	-	79,703
OPEB deferrals	457,837	-
Pension deferrals	930,002	-
Total	<u>\$ 1,858,997</u>	<u>\$ 550,861</u>

4. Risk Management

The Town is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Town participates in three (3) self-funded risk financing pools administered by the North Carolina League of Municipalities. Through these pools, the Town obtains general liability and auto liability coverage of \$1,000,000 per occurrence, property coverage up to the total insurance values of the property policy, workers' compensation coverage up to statutory limits, and employee health coverage. The liability and property exposures are reinsured through commercial carriers for claims in excess of retentions as selected by the Board of Trustees each year. Stop loss insurance is purchased by the Board of Trustees to protect against medical claims that exceed certain dollar cost levels. Specific information on the limits of the reinsurance, excess and stop loss policies purchased by the Board of Trustees can be obtained by contacting the Risk Management Services Department of the NC League of Municipalities. The pools are audited annually by certified public accountants, and the audited financial statements are available to the Town upon request.

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

II. Detail Notes on All Funds (Continued)

The Town carries commercial insurance for all other risks of loss. There have been no significant reductions in insurance coverage from the prior year, and settled claims have not exceeded coverage in any of the past three fiscal years.

The Town carries flood insurance through the National Flood Insurance Plan (NFIP). Because the Town is in an area of the State that has been mapped and designated an “A” area (an area close to a river, lake or stream) by the Federal Emergency Management Agency, the Town is eligible to purchase coverage of \$500,000 per structure through the NFIP. The Town also is eligible to and has purchased commercial flood insurance for another \$5,000,000 of coverage per structure.

In accordance with G.S. 159-29, the Town’s employees that have access to \$100 or more at any given time of the Town’s funds are performance bonded through a commercial surety bond. The finance officer, town clerk and mayor are all bonded for \$50,000 each through a commercial surety bond. The remaining employees that have access to funds are bonded under a blanket bond for \$250,000.

5. Claims, Judgments and Contingent Liabilities

The Town is contingently liable in respect to other claims in the normal course of its operations. Should the Town become liable in these matters, such liability would be satisfied by budgetary appropriation in excess of insurance coverage in a subsequent year.

6. Long-Term Obligations

a. General Obligation Indebtedness

General obligation bonds issued to finance the construction of facilities utilized in the operations of the water and sewer system and which are being retired by its resources are reported as long-term debt in the Water and Sewer Fund. All general obligation bonds are collateralized by the full faith, credit, and taxing power of the Town. Principal and interest requirements are appropriated when due.

Bonds payable at June 30, 2022 are comprised of the following individual issues:

General Obligation Bonds

Serviced by the Water and Sewer Fund:

Water and Sewer Bonds (FHA); issued November 1, 1994; maturing serially to June 1, 2034; interest at 5.25%.

Remaining Fund Balance	<u>\$ 5,503,076</u>

The outstanding encumbrances are amounts needed to pay any commitments related to purchase orders and contracts that remain unperformed at year-end.

The Town had no encumbrances at June 30, 2022.

TOWN OF PITTSBORO, NORTH CAROLINA
Notes to the Financial Statements
For the Year Ended June 30, 2022

III. Jointly Governed Organization

The Town, in conjunction with various counties and other municipalities, established the Triangle J Council of Governments (Council). The participating governments established the Council to coordinate various funding received from federal and State agencies. Each participating government appoints one member of the Council's governing board. The Town paid membership fees of \$1,800 to the Council during the year ended June 30, 2022.

IV. Summary Disclosure of Significant Contingencies

Federal and State Assisted Programs

The Town has received proceeds from several federal and State grants. Periodic audits of these grants are required and certain costs may be questioned as not being appropriate expenditures under the grant agreements. Such audits could result in the refund of grant monies to the grantor agencies. Management believes that any required refunds will be immaterial. No provision has been made in the accompanying financial statements for the refund of grant monies.

V. Significant Effects of Subsequent Events

Subsequent events have been evaluated January 6, 2023, the date which the financial statements were available to be issued. There were no recognized events meriting disclosure.

As of the date of issuance of the Town's audit, there is a pandemic situation regarding the COVID-19 virus. The Town is monitoring the effect of this pandemic on its financial operations. At this time, management has evaluated the situation and has concluded no additional disclosures are warranted.

Independent Auditors' Report On Internal Controls Over Financial Reporting And On Compliance And Other Matters Based On An Audit Of Financial Statements Performed In Accordance With *Government Auditing Standards*

To the Honorable Mayor
And Members of the Board of Commissioners
Town of Pittsboro
Pittsboro, North Carolina

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the Town of Pittsboro (the "Town") as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements, and have issued our report thereon dated January 6, 2023.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Town's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal controls. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Town's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal controls or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
